

## **Corporate Counsel (Intellectual Property)**

**Location: Singapore**

### **Do you aspire to make a great difference and scaffold the legal landscape for the LEGO Group?**

Bring your legal experience and potential to shape the future of the LEGO Group (TLG) in both mature and emerging markets.

### **Core Responsibilities**

- Help to co-ordinate all IP related tasks, including copyrights for TLG in APAC
- Act as subject matter expert on IPR enforcement in APAC and participate in activities supporting IP enforcement of TLG's rights proposed by Government & Public Affairs (GPA)
- Work with other Legal, Compliance & Risk Management (LCR) lawyers and LCR Legal Support on a program of enhanced IPR enforcement in the region
- In close collaboration with the VP of China & APAC and other LCR team members in China and APAC, drive and support the IPR enforcement agenda for APAC
- Manage internal and/or external stakeholder relationships to optimize work effectiveness, including building working relationships with external IP Counsel
- Demonstrate a high-level of collaboration, knowledge- sharing and process optimization to accomplish tasks
- Conduct IP training and marketing of the work done in IP enforcement in APAC.
- Document legal processes and work output in legal knowledge management tools.

### **Play your part in our team succeeding**

LCR China & APAC is the regional legal team covering all of Asia, with lawyers in Shanghai, Jiaxing and Singapore, in a variety of legal positions.

### **The main focus of LCR China & APAC is:**

- Drive and support all legal tasks in our region, like IPR and corporate matters
- Act as main point of contact for relevant legal issues, in accordance with our Mandate and Key Operating Principles
- Occasionally participate in tasks and/or provide legal support within other regions

### **Do you have what it takes?**

- Law School Degree (J.D., LL.M. or equivalent)
- Minimum 6-8 years of (postgraduate) legal experience from an in-house role at a global company or senior level private practice position, with a specialty in Copyright and Intellectual Property Law
- Proven track record in IP litigation management
- Proven track-record in IP enforcement matters and stakeholder management.
- An appetite for and ability to learn new skills, as well as the willingness to follow-through on tasks
- Highly collaborative, with a curious mindset and a "can do" approach
- Professional appearance and demeanor
- Previous experience working with national law enforcement authorities in one or more countries within the APAC Region on IP enforcement matters
- Experience in training customs officials on IP issues

- Some travel must be expected, likely not to exceed 30 days per year
- Advanced English is required in writing and speech
- Nice to have: proficiency in any other language in the APAC region

### **Join the global LEGO family**

The LEGO® Group recruits and develops people entirely on merit. If you are confident you have what it takes to succeed in this role – and you share our commitment to creativity, collaboration, and quality – use the APPLY NOW button above or below. Please remember to attach your application and current CV.

#### **BRINGING IT TO LIFE**

"In this position, you will join the LCR China & APAC Legal Team and play an important role in protecting the world-famous LEGO brand and products for the builders of the future."
